

Avon River Arts Society
Membership Form

<http://www.avonriverarts.ca>

Avon River Arts Society is group of artists and artisans who work together to build the local arts scene. We host shows, educational events, and gatherings. We get together to talk about what's happening in the arts – things like changing tastes and markets, what we've found that works and doesn't work, what we'd like to see happen.

As a member of Avon River Arts you will be a part of this. You will also be listed/linked on our web page and in other promotional publications. Note that some of our shows are open to all artists and some are just for us.

Memberships received from January until June are good until the spring renewal of the following year. Memberships received from July until December are good until the autumn renewal of the following year.
